Subject: Host School Inquiry for Erasmus+ KA122-SCH Job Shadowing (STEAM / Digital Education)

Dear Latvian Erasmus+ National Agency Team,

I hope this email finds you well.

I am writing to you on behalf of Şehit Yunus Baykal Secondary School (Şehit Yunus Baykal Ortaokulu), located in Eskişehir, Türkiye.

We are pleased to share that our Erasmus+ KA122-SCH project, titled "STEAM-Pulse: From Tradition to the Future, Following Innovation" (Project Reference: 2026-1-TR01-KA122-SCH-000422539), has been officially approved and awarded funding by the Turkish National Agency.

As part of our project activities, we are currently looking for an innovative host school in Latvia to conduct a Job Shadowing mobility for our teachers. Our primary objective is to observe and learn from best practices in:

STEAM (Science, Technology, Engineering, Arts, Mathematics) education,

Phenomenon-based learning models,

Integration of digital tools and modern methodologies into secondary school curricula.

We would be extremely grateful if you could guide us or share information/contacts of Latvian secondary schools (lower secondary / general education level) that excel in STEAM initiatives and might be open to hosting foreign educators for a short-term Job Shadowing activity.

For your reference:

Sending Institution: Şehit Yunus Baykal Ortaokulu (OID: E10139846), Türkiye

Activity Type: Staff Mobility - Job Shadowing (KA122-SCH)

Target Group: English language teachers, STEAM and ICT educators

Funding Status: Fully granted by TR National Agency

Thank you very much for your time, assistance, and support in promoting inter-school collaboration within the Erasmus+ community.

Warm regards,

Nilgün Çalık Yılmaz

Erasmus+ Project Coordinator / English Teacher

Şehit Yunus Baykal Ortaokulu

Eskişehir, Türkiye
